

# Getting Started: Mobile App

Download The App: Search for the *Portfolio HiWay App* in the Apple App Store or Google Play Store and download it to your device.

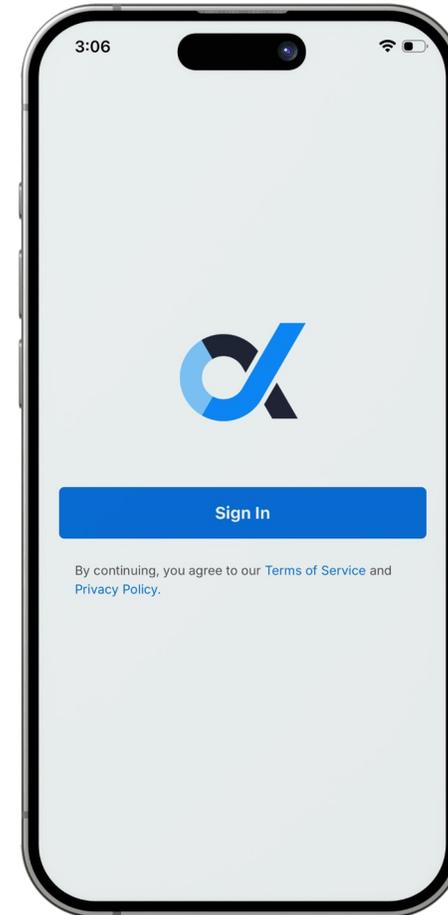

Apple App Store

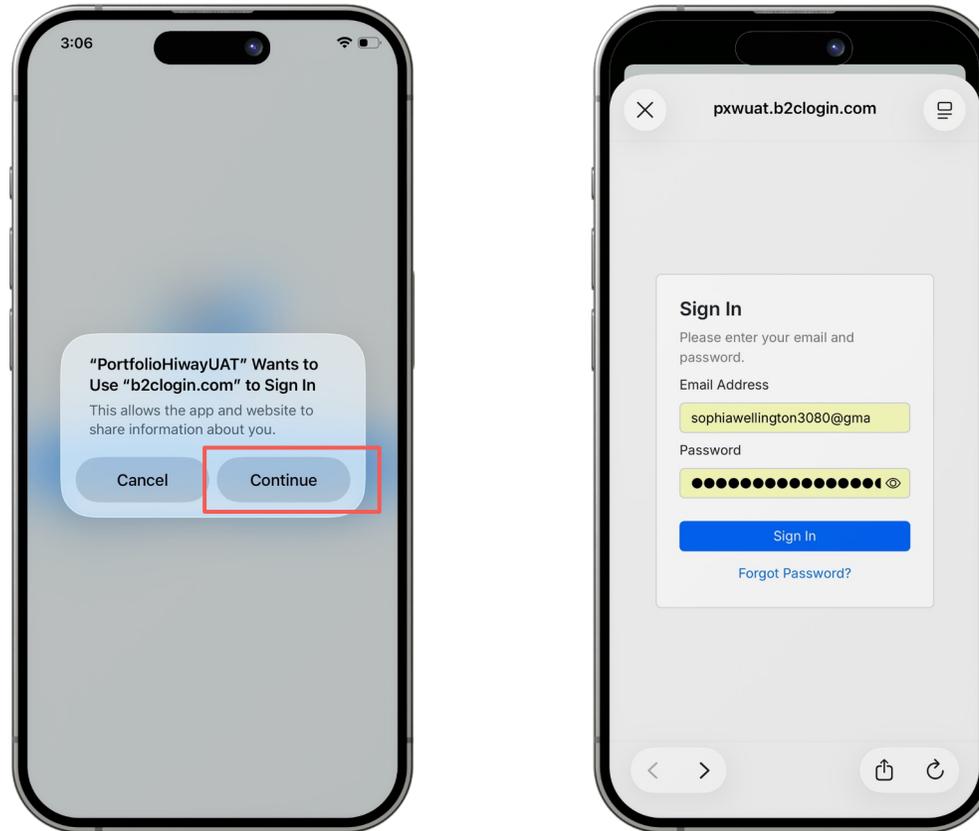

Google Play Store

Open And Log In: Once installed, open the app and select **“Sign In”**.

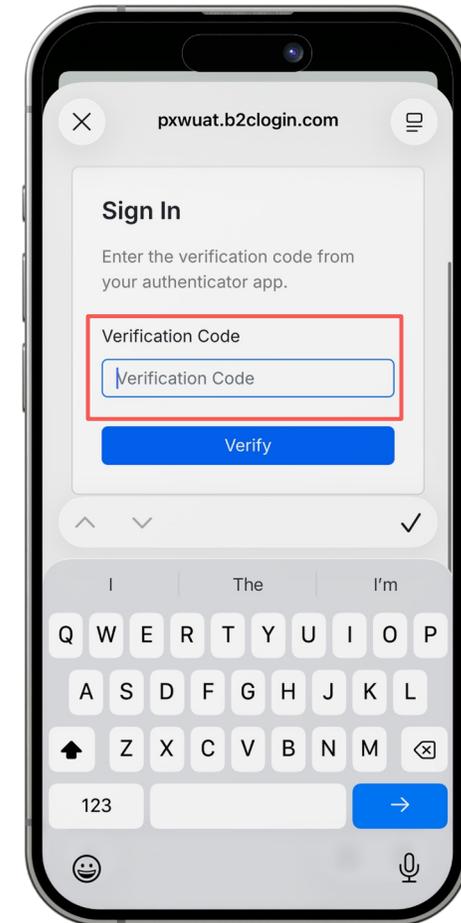

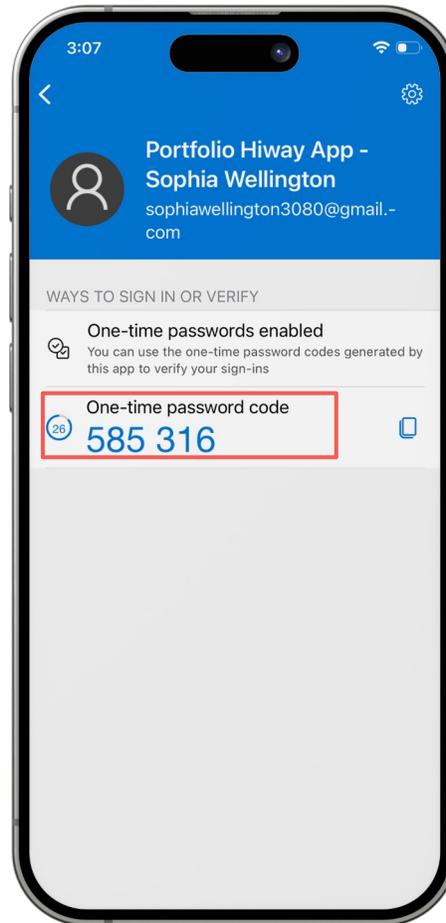

Enter Your Credentials: A secure browser window will open, prompting you to enter your login details. These are the same credentials you use to access your desktop portal.

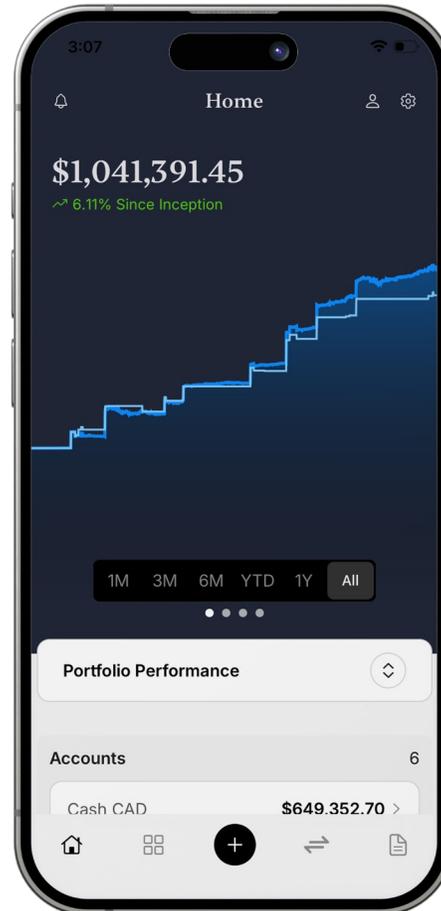

*Please note:* If you have never logged into the desktop portal before, you will need to complete your initial login there for onboarding purposes. If you are already using the desktop portal, you may proceed directly through the mobile app.

Verify Your Identity: After entering your login credentials, you will be prompted to enter the 6-digit verification code generated by your existing multi-factor authentication app.

Access Your Dashboard: Once verified, you will be directed to your portal dashboard, where you can view and manage your entire investment portfolio.
